Dear Mr & Mrs Weisberg,

I apologize for not writing sooner and thanking you for letting my son and I impose on you. When I got back to my office work was piled all over my desk. I do tax returns as part of running a CPA firm and now is the time everyone wants everything yesterday.

I want you to know we considered the visit to your home a once in a lifetime opportunity. We both enjoyed the chance to discuss the assassination with someone who has the knowledge that you have. It was very educational for both of us and we learned a lot in the short time we were with you.

We can't thank you enough for sharing your valuable time and knowledge with us.

I hope you are both getting along well.

Sincerely,
Kurt & Brett Meisel

We both hope to visit the Archives, Hood Univ. and say hello to you at some future date.
